

LVG Joins the ADESA Canada Family

We are pleased to announce the planned merger of LVG Auctions with Adesa Canada. The intention of the merger is to create a greater opportunity for LVG Auctions to expand across North America. LVG plans to start utilizing Adesa's infrastructure and locations in the coming months. LVG/Adesa will hold Unreserved Heavy Equipment and Truck auctions in Toronto, Montreal and Edmonton in the coming year. The management team of Larry Gardiner, Brooke, Brett, and Scott Askin will continue managing the operation of LVG at all locations.

Following LVG's auction on September 15th, the next auction will take place at ADESA's Brampton facility at 55 Auction Lane. We look forward to serving you in our new facility and our first auction will be around November 3rd. Please check our web site at www.lvgauctions.com for more details as this exciting initiative unfolds.

Consignor drop off for next sale at the intersection of Exchange Drive and Sunpac Blvd as shown in the map below:

Thank you for the trust and confidence you have given us during our operation in Caledon and we shall continue upholding the same ideals you have afforded us.

If you have any questions, you can always contact the undersigned. Best regards.

Brooke Askin
President
